OPTIONAL FORM NO. 10

UNITED STATES GOVERNMENT

Memorandum

SECRET

TO : C/ASD

DATE: 24 May 1965

FROM : DAD/S&D

SUBJECT: IR Launch Detector

25X1A

I think [redacted] has done a particularly good job in his IR Launch Detector memorandum. In summarizing the background, clearly indicating what the criteria has been and the reasons for recommending the selection of [redacted]. Considering the fact that he came into the project in the middle, he indicates a clear grasp of the program both past, present and hopefully the future. A well done is clearly deserved here I think.
